

BEER GUIDE

– Which beer are you?

Are you into alcohol?

Wouldn't mind a gentle buzz

Meh ...

Not at all

I'm a hoppy person

Malt me!

Ugh, come on Mr. Scientist, just give me a beer already!

Is it like...a hot summer day?

I like it light

And fruity on the inside!

Plain bitter, just like my life

... but gently

With wheat!

I like coffee and chocolate just as much as beer

Nope

I literally just melted

I feel wheaty though

Fruit salad fruity

Bitter & fruity

Mildly fruity
