HOSTEL EVENTS AND SOCIALIZING

We want you to enjoy more than just a good night's sleep, we also want you to have fun.
That is why we have Hostel Events almost daily. You can get to know great people, have some great conversations, and have a great time during the Hostel Events. All that in a chilled and casual atmosphere. We call it Socializing!
Unfortunately, the best things in life still have rules.
Due to the fact that our events are thought for a way to bring individual backpackers together, groups with more than 4 people should check with the receptionist if interested in an event.

When and Where?
Check the info panel or ask at the reception!

Grilling

We grill for our guests on our rooftop terrace. We offer franconian Bratwurst, grilled vegetables, bread, buns. It is planned, one bratwurst per person.

Would you like something else grilled, provide it yourself, and we can throw it on the grill. We can have a small Grillfest all together.

Groups with more than four people, please sign up at the Reception by 1pm and based off of the number of people in your group, you would have to provide your own food.

XXL - Jenga

Who can place the highest block?
By who will it tumble and fall?

Join our fun XXL-Jenga to answer those questions.

You can join and quit at anytime.
However, once you start, it is hard to quit because XXL-Jenga has an extra level of fun added to it.

Beertasting

The franconians do not only make delicious wine, they are brew very tasty beer.
You can sample a small sortiment of the tasty beer by us. And best of all, for free!
During the Beer Tasting, one of our Babelfishies beer experts (especially experts at drinking beer) will fill you with beer and some informative beer facts.
In order to keep the Beer Tasting sociable and fun, we do have to limit the number of future Beer Experts that can partake in our informative and delicious Beer Tasting. The number or participants will be limited to the number of people that fit comfortably on our beer bench, which tends to be 8 to 10 guests.

City Tour in German and/or English

Join us for a leisurely and informative stroll through Würzburg.

We will guide you to some of our most important, famous, and prettiest spots in the city.

Even here, we would like to keep it a bit more personal and sociable, therefore have limited the number of participants to 15.

So either sign up at the reception or be one of the first 15 to show up at the meeting spot at the begin of the tour.

Pub crawl

Cheers to good times with new friends.

A different version of a city tour. Rather than visiting our most popular tourist's sites, we will visit our best bars and possibly end up at a dance club, if you last through the night.

Würzburg has a great selection of bars to choose from, that we will most likely be stopping at a bar that is exactly your taste, whether it is an English Pub, student bar, bar playing classic rock, tiki themed bar, etc.. We will show you just some of the local bars to have a good time at.

However, we are not carrying anyone home, so do not get too out of control. To make it an enjoyable night out on town with new friends, we want to limit the number of guests

to the amount that would fit on one table at the local bars. Therefore we have a limit of ten guests for Pub Crawl.

Gamenight

There is no limit to fun and creativity. To list all the games we have already played, we would need several sheets

of paper. So just meet up with us in the lobby for a fun night of games, whether it be a card game, board game, or dice game.

Or feel free to suggest a game for us all to play together.
